

REMARKS

This amendment is made after allowance in order to make the device on the right-hand side have the same reference numerals as shown in Fig. 1 (as already carried out in a similar amendment to the drawings filed November 14, 2003 and accepted by the Examiner in the Notice of Allowability). No new matter is added. This amendment was not made earlier because it was inadvertently omitted. Entry is requested.

Respectfully submitted,

A handwritten signature in black ink that reads "Francis J. Maguire". The signature is written in a cursive style with a large, looping "F" and "M".
